

OPAL

East Dunbartonshire Information Line

OPAL is a free information service for residents of East Dunbartonshire.

The OPAL service has been here for you before and during the COVID-19 outbreak, and we will continue to help you, your family, friends and neighbours to get the vital information & support that they need.

We've made some additions to the service;

- **Extended opening hours
(you can contact us on 6 days of the week)**
- **Essential shopping for vulnerable adults**
- **New volunteering opportunities**

We are still offering support for the usual enquiries;

- **welfare & benefits advice**
 - **power of attorney**
- **independent advocacy**
 - **volunteering**
 - **carer support**
